Test Compost Matière Organique	Blé Dur	<u>CA34</u> , Semenciers, ABDD, Arvalis

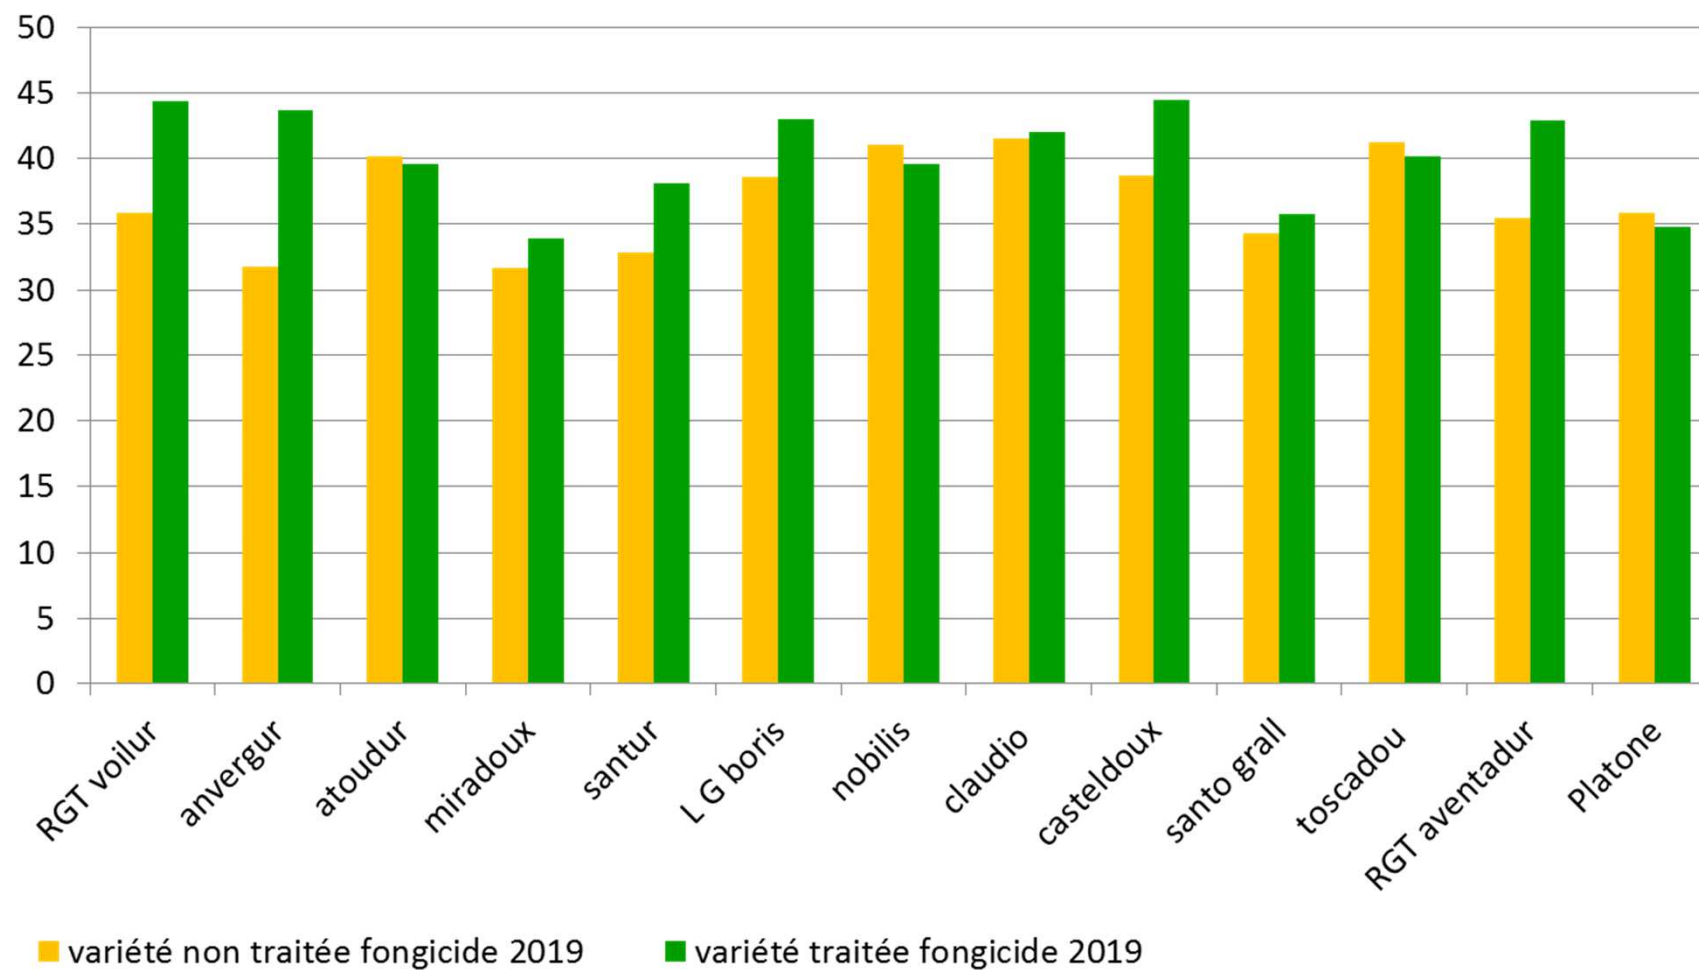

Matinée Technique Grandes cultures – A. Alliès CA34 – Oct 08-09

An aerial photograph of a large agricultural field, likely a wheat trial. The field is divided into a grid of numerous rectangular plots. A group of people is gathered in the center of the field, and several white flags are visible, marking specific plots. The background shows a line of trees and a few buildings under a cloudy sky.

récolte 2019

A photograph of a lush green field of chickpea plants. The plants are densely packed and feature characteristic bipinnate leaves and small, round, green seed pods. The lighting is bright, suggesting a sunny day. The word "ELIXIR" is superimposed in the center of the image in a large, white, sans-serif font.

ELIXIR

A photograph of a lush green field of chickpea plants. The plants are densely packed and feature characteristic bipinnate leaves and numerous green, oval-shaped seed pods. The word "CICERONE" is superimposed in the center of the image in a large, white, sans-serif font.
